

INFERN A

Wolf x Dog AU

SOLEIL WAS ON HIS USUAL ROUTE HOME AFTER FORAGING FOR FRUITS IN THE FOREST NEAR HIS VILLAGE. HE ALWAYS CAME BACK ON TIME, BUT TODAY HE STRAYED TOO FAR AWAY AND TOOK A BIT TOO LONG TO START HIS WAY BACK.

He knew it was dangerous at night, BUT IN HIS FRUSTRATION ABOUT NOT BEING ABLE TO FIND A SINGLE THING, HE IGNORED THE WARNINGS HE HAD DRILLED INTO HIS HEAD SINCE HE WAS JUST A PUP..

UNFORTUNATELY FOR SOL, THE WARNINGS WEREN'T FOR NAUGHT, AS BIG, DANGEROUS WOLVES PROWLED THE FOREST SEARCHING FOR PREY.

THE DOGS OF THE VILLAGE ASSUMED ALL OF THE ONES WHO FELL VICTIM TO THEM WERE EATEN, BUT THEY COULDN'T HAVE BEEN MORE WRONG.

0000H, WHAT IS SUCH A TINY
LITTLE DOG DOING ALONE AT THIS
HOUR??

Were you HOPING to get
snatched away?

However, what usually happened was THAT
WOLVES WERE OUT LOOKING FOR DOGS TO TAKE BACK
TO THEIR DENS AND KEEP AS THEIR PETS.
THAT WAS THE REASON WHY NO ONE EVER CAME BACK.

noooooo!!

Please don't eat me!!!! Let
me go, PLEASE!!!

Eat you? OH, no, no!!
You LOOK and SMELL quite
DELICIOUS BUT NOT IN "THAT" way.
PUPPY~

I-I'm NOT a PUPPY!!!

OF course not! That's JUST a cute PET name~

i don't need a PET name!! My name is SoLeil, NOT PUPPY!!!

OH, BUT YOU'LL BE my CUTE LITTLE PET won't you, LITTLE SOL??

S4D
SQUID

JUST AS I THOUGHT, YOU TASTE QUITE GOOD!

You are giving such strong smell too,... You're
you on heat, aren't you, LITTLE THING??

Amon was quite
HAPPY TO HAVE
FINALLY FOUND A PET
DOG WHOSE SMELL AND
TASTE HE LIKED. BEING
COMPATIBLE IN THAT
REGARD WAS VERY
IMPORTANT TO HIM!!

no!! i-...

i'm not!! i wouldn't-

Don't Lie to me
sweetheart, i
COULD SMELL YOU
FROM A MILE
away~

SOLEIL WASN'T ON HEAT QUITE YET, BUT IT WAS CLOSE ENOUGH THAT ANY WOLF
WOULD EASILY BE ABLE TO SMELL IT, EVEN IF THE DOG HIMSELF COULDN'T FEEL
ANY SYMPTOMS AT THAT MOMENT.

S4D
SQUID

MUCH BETTER!

THIS SHOULD STOP YOU FROM
ACTING ON ANY SILLY IDEAS OF
TRYING TO RUN AWAY.

P-PLEASE...

I'M NOT GOING TO!! I WON'T FIGHT!! YOU
CAN DO ANYTHING YOU WANT. I PROMISE!!

BUT!! BUT PLEASE LET ME GO HOME
AFTERWARDS...

OH, DON'T WORRY, YOU'RE
GOING HOME AS SOON AS I'M
DONE WITH YOU ♡

REALLY???

YOU'LL REALLY LET ME GO HOME?

YES, TO YOUR NEW ONE, OF COURSE.

I'VE ALREADY PREPARED A CUTE LITTLE CAGE
FOR YOU IN MY HOUSE~

WAIT, NO!! NOT LIKE THAT!!

WOLVES USUALLY CHOSE A PET AND KEEP THEM FOR LIFE. ONCE A
DOG IS BROKEN IN, NO OTHER WOLF MAY TAKE THEM.

No, no!! Please no, your knot is
too big!! it hurts!!

Don't worry, little Sol, you'll
get used to it soon~

no, no, it's getting bigger!! don't knot me!!

i might get pregnant if you cum inside, please

don't do it pl-

Well, i'm sure you'll be a really good
papa to your pups, then ♡

nooo!! Please, i don't want to have pups!! i
don't want to be anyone's papa!!

Too bad! i already chose you to carry my
litters, you'll just have to bear it!
Don't fret, if you my seed doesn't take now, we'll
have plenty of more opportunities~

Please take
it you!!!
Please, i'm
full
already, it
hurts!!

Don't be an idiot, do you
want to have a
prolapsed cunt, stupid
dog??

it takes a while for a knot to completely deflate, which means a wolf and their pet would
be stuck together for a little while everytime they mated. it can be a bit annoying at
times, but it's important for breeding purposes!

Eventually, Amon's knot went back to its regular size and he was able to pull out without harming the small dog.

AH, Damn, you're ALL DIRTY now!
Guess I gotta clean you up before I take
you back...

...Please

I JUST... Let me go home...

I won't tell... Please...

DON'T BE SILLY, LITTLE THING!
I already claimed you, your home is
now WITH me!! ♡

n99H, n00...

IT WAS COMPLETELY HOPELESS FOR THE SMALL DOG. Once a wolf not only
sets their sights on a prey and claims it, there is no going back from it.

Unfortunately for Soleil, his torment had just started.

New pets usually go through really intense training upon arriving. Although this helps them adjust to their new lives in the long run, it can be quite distressing at first.

Not only that, most wolves liked customizing their pets to their own taste. Some of the body modifications can be quite painful as well.

Aside from all the piercings, Amon also routinely gave Soleil's little clitoris plenty of shots that not only made it extra sensitive, also made it increase in size quite dramatically.

It did not take long for him to start acting like a proper pet. He wagged his tail every time Amon got home and spread his legs hoping to be used!

SOL WAS FULLY TRAINED BEFORE HE EVEN DELIVERED HIS FIRST LITTER. AMON PREFERRED TO KEEP HIM TIED UP THOUGH, AS NOT ONLY IT WAS SAFER, BUT IT WAS A GREAT WAY TO MAKE IT SO THE PET COULDN'T TOUCH HIMSELF, DEPENDING ONLY ON HIM TO FEEL ANY PLEASURE!

IT WORKED WONDERS! THE PET WAS SOPPING WET EVERYTIME AMON WANTED TO USE HIM, WITH HIS LITTLE COCKLET TWITCHING NONSTOP.

AMON WANTED TO TRAIN HIS PET TO BE A BIT MORE OBEIENT THOUGH...!

SO, UNTIL SOLEIL DELIVERED THEIR PUPS, HE WOULD NOT TOUCH THE PET'S COCK, NOT LET HIM CUM OR TOUCH HIMSELF.

THE POOR PET BEGGED DAILY, SOMETIMES GOING AS FAR AS HELPLESSLY HUMMING THE AIR, WHICH THE WOLF FOUND QUITE ADORABLE. IT GOT TO A POINT AMON STARTED TO ONLY USE SOL'S ASS, AS HE WAS AFRAID TO ACCIDENTALLY MAKING HIM CUM JUST BY TOUCHING IT.

S4D
SQUID

After some more weeks, Soleil
Went into Labor and successfully
gave birth to six adorable puppies!
The whole process was a bit hard
on him so his womb prolapsed after
a while, but it's probably fixable.

Don't worry!

Look, Master!!! Sol delivered all of
Master's pups!!!

You sure did!

Awwn, I'm glad I caught
you!! You made such
adorable little
wolfings~

Will... Will Master let Sol
cum now?? Sol did a good
job, right??

Silly, little pet! I told you I would let
you cum after you gave birth to our
pups, but I never said 'which' pups!
Perhaps after you give me
another litter or two I'll
think about it~♡

You're too mean, Master...

Of course, as expected, Amon kept his pet in constant denial for quite a while. Considering
how adorable and needy Sol was in this state, he had no reason to allow the pet any sort
of release. That is, of course, until the dog grew so sensitive he started cumming just from
being milked, but that's a story for another day ♡

thank you
for reading!!
