

AFTER BECOMING TOO  
HEAVILY PREGNANT TO  
SERVE AT A URINAL POST,  
PUBLIC RELIEF PET 2152  
(NICKNAMED LEILEI) WAS  
MOVED TO AN EXHIBITION  
POST UNTIL IT WAS TIME FOR  
HIM TO GIVE BIRTH.

HE WAS TIED TO A POST IN A  
BUSY STREET AND HIS WINGS  
CUT OFF FOR SAFETY  
PURPOSES. LEILEI'S URETHRA  
WAS ALSO CLOSED SHUT  
WITH A CAP SO HE WOULDN'T  
PISS ON PASSERBYS.

PLEASE BE PATIENT WITH  
HIM HE HAS BEEN A PET FOR  
LESS THAN A YEAR AND IS  
STILL A BIT SHY.

OF course, JUST Having Him  
EXPOSED WOULD Be quite  
BORing, so it's usual TO  
INFlict some SORT OF  
EXtra STIMULi TO PUBLIC  
RELIEF PETS WHEN in an  
EXHIBITION POST.

THE personnel  
RESPONSIBLE FOR THIS PRP  
DECIDED TO PUT some  
WORMS and ROTTEN meat  
inside HIS CUNT. Because  
THE COLLAR BLOCKS HIM  
FROM SPEAKing, Leilei  
can't COMPLain or ask FOR  
HELP. No one WOULD  
interFERe regARdLESS, as  
it's agAinst THE LAW TO  
TOUCH an EXHIBIT PRP. They  
are FOR DECORATING, NOT  
TOUCHing.

Well, 2152 used to  
really hate being  
touched so he is probably  
glad about that.

Something tells me  
would rather be touched  
by hands than creepy  
crawlies, though.

Regardless, the maggots  
would be left inside of  
him until labor started.  
Don't worry about the  
babies, they are  
protected by strong  
magic barriers, they will  
not be hurt.

Neither will this pet, his  
regeneration powers are  
way too strong for his  
own good.

When time FINALLY came FOR  
Leilei TO BE moved TO a  
BIRTHING STATION, THE  
MAGGOTS HAD BURIED DEEP  
INSIDE HIS WALLS AS THEY RAN  
OUT OF ROTTEN MEAT AND  
WERE EATING HIS FLESH  
INSTEAD.

SCRAPING THEM OUT MUST  
HAVE BEEN QUITE PAINFUL, AS  
HE CAME OUT OF HIS STUPOR  
AND STARTED YELPING AGAIN.  
REGARDLESS, HE PROVED TO  
BE A VERY GOOD PRP AND THE  
BABIES WERE SAFELY  
DELIVERED.

PLEASE LOOK FOR HIM IN A  
WEEK OR SO WHEN HE WILL BE  
BACK TO A PILLORY POST!  
MAKE SURE TO ARRIVE EARLY  
AS HE CAN BE QUITE POPULAR!
