

A WHILE AFTER BEING ASSIGNED TO BECOME A PUBLIC RELIEF PET, SOLEIL ENDED UP WITH PREGNANT WITH TRIPLETS! BECAUSE ANGELS ARE USUALLY TOO SMALL TO CARRY SUCH BIG DEMON PREGNANCIES, THEY HAVE THEIR LIMBS CUT OFF WHEN THEY GET BIG ENOUGH. DON'T WORRY THOUGH, ANGELS HAVE REGENERATION POWERS SO THEIR LIMBS WILL GROW BACK EVENTUALLY~

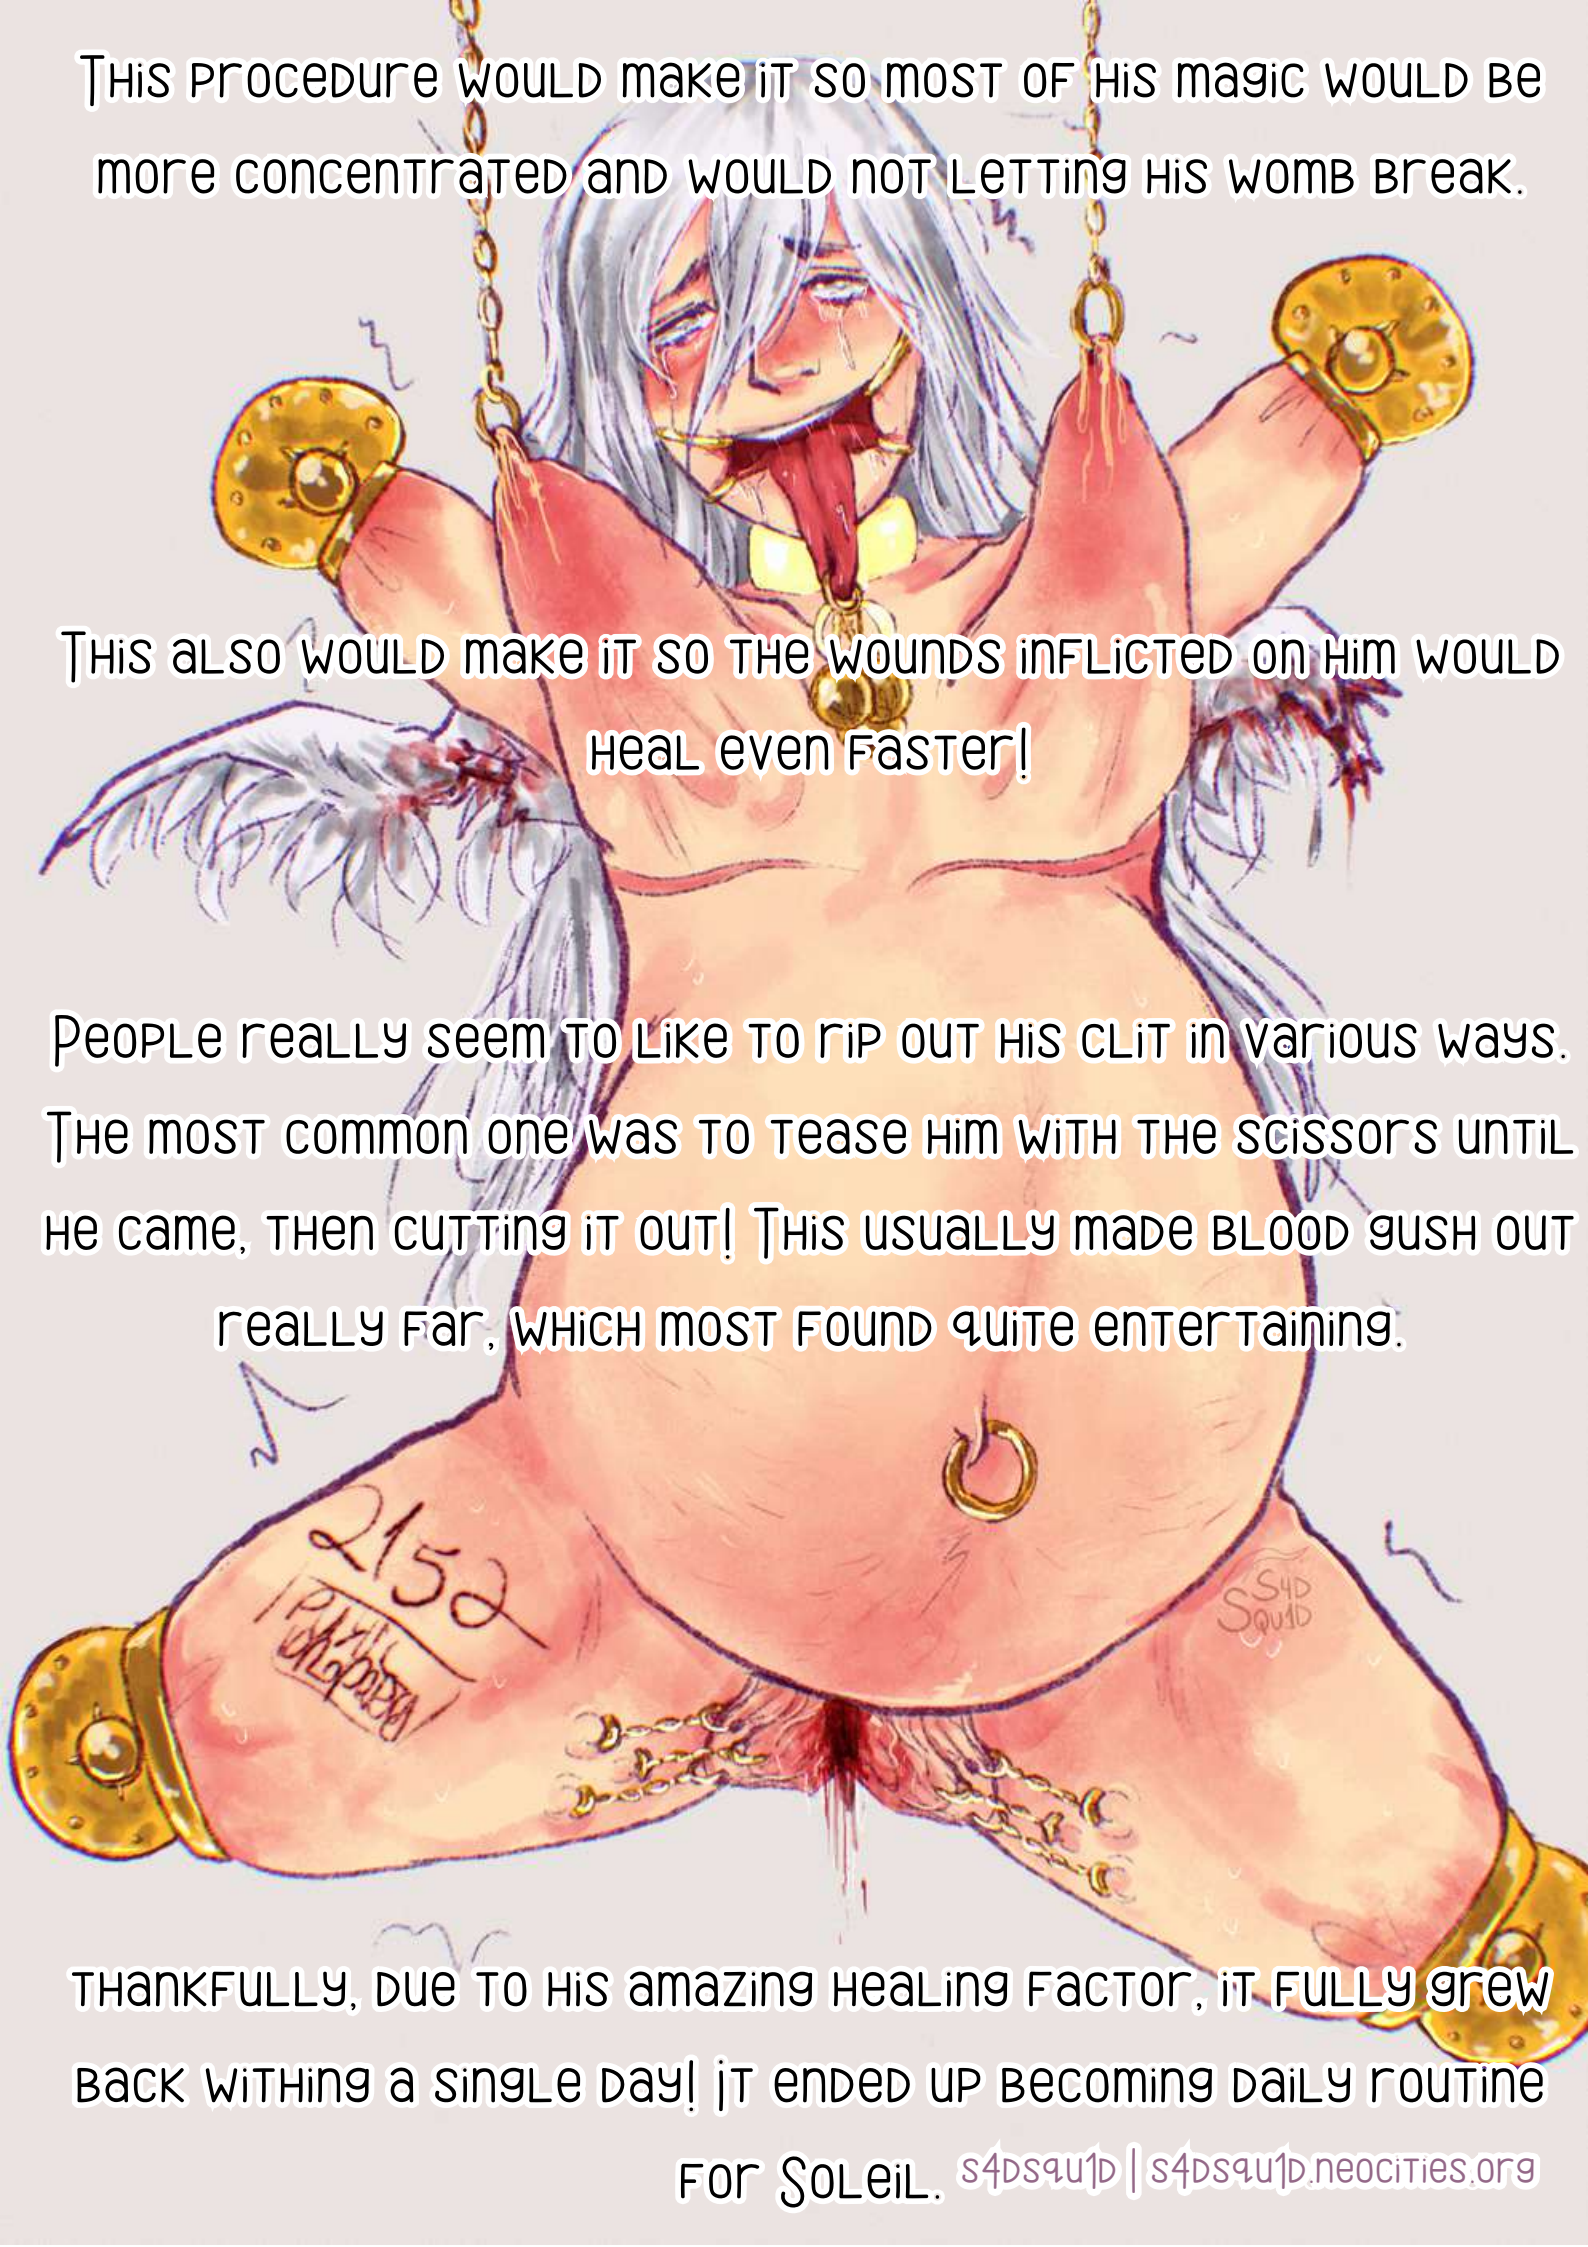

THIS PROCEDURE WOULD MAKE IT SO MOST OF HIS MAGIC WOULD BE MORE CONCENTRATED AND WOULD NOT LETTING HIS WOMB BREAK.

THIS ALSO WOULD MAKE IT SO THE WOUNDS INFLICTED ON HIM WOULD HEAL EVEN FASTER!

PEOPLE REALLY SEEM TO LIKE TO RIP OUT HIS CLIT IN VARIOUS WAYS. THE MOST COMMON ONE WAS TO TEASE HIM WITH THE SCISSORS UNTIL HE CAME, THEN CUTTING IT OUT! THIS USUALLY MADE BLOOD GUSH OUT REALLY FAR, WHICH MOST FOUND QUITE ENTERTAINING.

THANKFULLY, DUE TO HIS AMAZING HEALING FACTOR, IT FULLY GREW BACK WITHIN A SINGLE DAY! IT ENDED UP BECOMING DAILY ROUTINE

FOR SOLEIL. [s4dsquid | s4dsquid.neocities.org](https://s4dsquid.neocities.org)

However, people were particularly mean today. They wondered what would happen if they tried to "replace" his clit with a live cockroach!

Kinda ironic that the one that had this idea was an angel like him. Well, this angel was an actual person and not a pet, so they aren't really alike, if you think about it,

They stuck the roach where his clIt used to be with a pin.

“Enjoy your new clIt, it fits a filthy urinal like you!”

They said, before walking away and leaving him alone for the night.

Poor SOLEIL was horrified! He had been THROUGH many awful things as a PRP BUT THIS was TOO HORRIBLE. He COULDN'T even beg for help or move, ALL HE COULD DO was cry. His tears didn't seem to matter as no one BOTHERED to remove it, NOT even the CLEANER. In FACT, He THOUGHT it was quite amusing HOW HIS CLIT was already re-growing around THE insect

Eventually, the roach was completely encased within Soleil's clitoris. You could still feel its outline to the touch! Sometimes, it even moved!

Even for a public relief toilet, this was quite disgusting. People seemed to like how much it tormented him, so they stopped tearing his clitoris away.

Soon enough, the roach STOPPED moving and Soleil's CLIT started swelling even more. Maybe it had Laid eggs inside of him BEFORE it died?

IT WASN'T LONG BEFORE HIS CLIT BURST WITH ALL THE LITTLE ROACH
LARVAE CRAWLING THEIR WAY OUT. IT TURNS OUT IT DID LAY EGGS!
THE PET DIDN'T KNOW IF HE SHOULD FEEL RELIEF OR EVEN MORE
DISGUST AND THE PEOPLE TEASING HIM ABOUT "GIVING BIRTH TO ROACH
BABIES" DIDN'T HELP.

JUST A COUPLE OF DAYS AFTER, HE WAS TAKEN FROM HIS SPOT SO HE
COULD GIVE BIRTH. HE WOULD GET A FEW DAYS OF REST BEFORE BEING
THRUST BACK AGAIN INTO THE SAME NIGHTMARE
