

Ohhh? I wonder what that is, it sorta looks like a person...

Ah, I see, a discarded pet. His ability to speak must have been turned off, that's why I couldn't hear it scream or anything.  
Is that a note attached?

HELLO I ESCAPED  
THE PET DRAFT BUT  
I HAVE ALWAYS  
DREAMED OF BECOMING  
A BREEDING PET! PLEASE,  
HELP ME BECOME ONE  
FOR REAL! ♥♥♥

I guess even that Draft misses some of them at times huh? But I don't need a new pet, much less a pregnant one, but I'll help you out, don't worry!

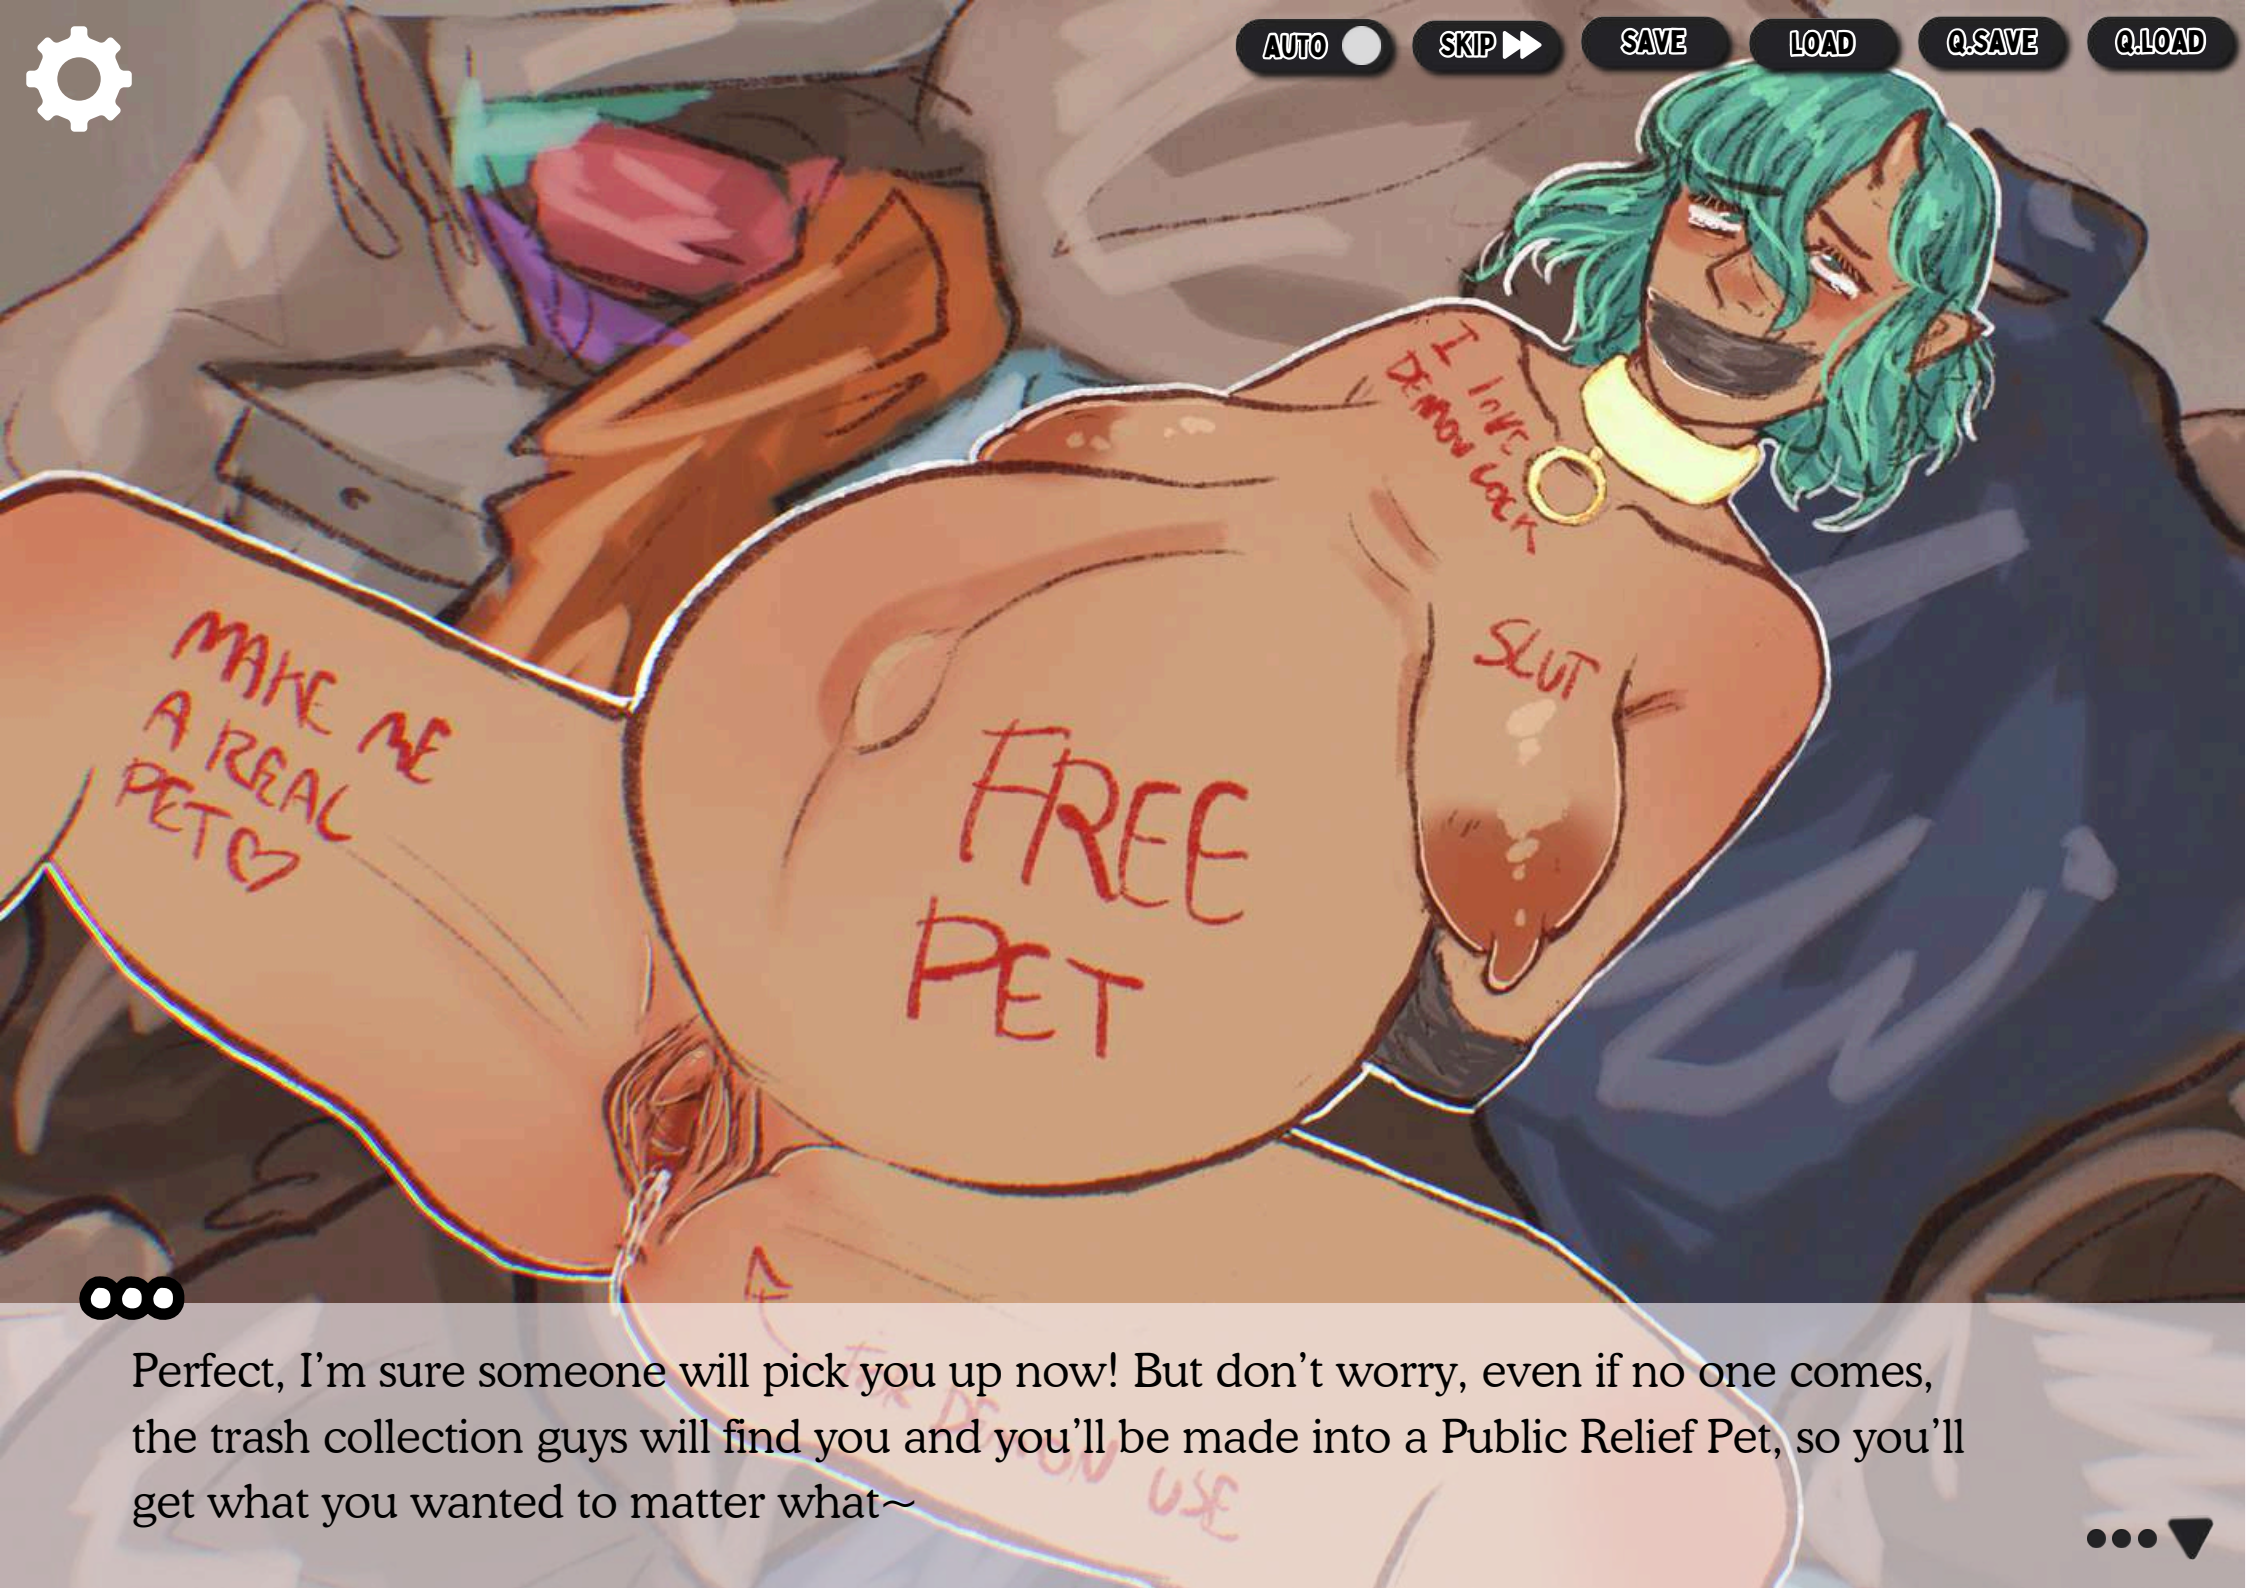

It will be much easier for you to find a new owner if you stay in a position that shows off your cute little pet parts! If I didn't already have two at home, even I might be tempted now, haha.

Perfect, I'm sure someone will pick you up now! But don't worry, even if no one comes, the trash collection guys will find you and you'll be made into a Public Relief Pet, so you'll get what you wanted to matter what~
