CONTENT WARNINGS:

Fictional Depictions of:

Forced Detransition - Dubcon - Pregnancy - extreme gooning - Filming - Cuckhold Dynamic(?)

WARNING:

I sure hope this is extremely obvious to anyone that has read any previous entries in this story, but Soleil is being forced/coerced into saying these things. He doesn't believe any of this, but because his manager has legally trapped him into obeying her, he needs to "perform" in order to keep himself safe. I really wish I didn't feel the need to type this out but...

SOLEIL IS A TRANS GUY THAT IS BEING FORCED TO SAY THESE THINGS. HE DOESN'T BELIEVE THEM, HE HATES HIS MANAGER AND WANTS HER DEAD. HE IS LIVING IN HIS WORST NIGHTMARE, HIS LIFE IS LIVING HELL. THAT'S THE WHOLE POINT.

This should be obvious too, but the manager is a villain. What she believes in has nothing to do with what me, the author, does. She is supposed to be a disgusting human being, I made her to be someone I despise. That too is on purpose.

Ok, that's done I think. I believe my general public doesn't need this warning, it's more for people who may stumble upon this. Please make sure to read the first comic for this AU, otherwise you won't understand what is going on.

I hope you like the "interview" anyway :3

AN EXCLUSIVE
INTERVIEW
WITH

SOLEIL

The idol [suddenly]
turned porn star!

After a sudden shift in her career that came seemingly out of nowhere, the announcement of her detransition and pregnancy, we were all dying to know what has happened behind the scenes that lead to all of this. Thankfully, Soleil agreed to answer herself the questions everyone has been asking!

Before we get to the main part, I must be polite and ask: how have you been doing? How is the pregnancy going?

I've never been better! Ever since finding my true purpose and embracing it I don't think I've had the time to feel sad at all! The pregnancy is going great! Did you know I'm having twins? They're pretty healthy it seems. I'm really enjoying being pregnant, the constant reminder of what a man can force your body to go through just by cumming inside is a massive turn-on! Of course, in my case I wasn't forced, but you know what I mean, right? Knowing some of these changes will be permanent makes it even better!

I see, that makes perfect sense! What made you decide to change the direction of your career and do adult films? Does the hair change have anything to do with it?

My manager, Barbara, saw right through me, she knew I would be good at this, so sat me down and showed me the career plan she had for me in this area. I wasn't sure if she had been serious at the time, but I jumped at the opportunity. I always had the fantasy of being filmed and the images of my body being used as a way for others to get off, me having no control over how far it spreads... I was too shy to actually seek that out though, so when Barbara came to me with the proposal the answer came before she could even finish elaborating, haha. We also decided to change my look so it would be easier for people to tell my idol and porn era apart! This is why I'm a blonde now! I look pretty fuckable like that, don't I?

Honestly? Yes, I'd fuck you right now if you let me, haha. Ah sorry, back to the interview... you did not give the vibe of someone who would be that perverted! It's amazing how she could tell.

Awwn, I can give you a blowjob later if you really want ❤️ Anyway, I tried really hard to conceal that part of me. As a regular idol, that's just not acceptable, you know? But Barbara was good at spotting the right people for the right job. I think she might have picked me as an idol because she knew it from the start and wanted a storyline of a proper idol being corrupted or something. Not that I ever got corrupted, she just brought out my true self! But that's just a theory I made in my head, you'd have to ask her if you'd like to know the truth!
